

HOSPITAL STATISTICS

2020 - 2021

(Based on Monthly Statistical Bulletin)

Prepared by:

*Directorate of Hospital & Medical Education
Health & Family Welfare Department
Government of Mizoram*

PREFACE

The Directorate of Hospital & Medical Education has brought out **hospital Statistics 2020 - 2021 (Based on Monthly Statistical bulletin)** of various hospitals, i.e. 15 Government hospitals & 27 Private hospitals. The present publication is the 9th in its series. It comprises the hospital characteristics of Bed Strength, number of patient treated, admission, operation, delivery, investigation, and other characteristics as before. It also includes achievement of some Programmes/ Cell reports, such as Oral/dental health, Mental Health, Non-communicable Disease(NCD) and Tobacco Control Programme, IMR & MMR (HMIS) and Animal Bites Reports.

In this publication, three (3) new District Hospital, Saitual, Hnahthial and Khawzawl is added in Government Hospital and also added three (3) Private Hospitals such as, Rosewood Hospital, Saron Veng, Trinity Hospital, Melthum, Christian Hospital, Lawngtlai. I am thankful to all the Government and Private Hospitals for their co-operation and supplying the required information for this Hospital Statistics.

It is my sincere desire that this publication will serve as a useful source of information for the administration. Research Scholars and for the General Public. Suggestion for further improvement of next publication is most welcome.

I am thankful and appreciated to Officers and Staff of this Office for their efforts and rendering services for this publication.

(Dr. T. LALHMANGAIHI)
